# Masai solar panel system subsidy

## Overview

Does Malaysia have a solar rebate scheme?

The Ministry of Energy Transition and Water Transformation in Malaysia is teaming up with private and public partners in the country to offer citizens financial incentives and discounts when adopting solar. It follows a government rebate scheme introduced in April.

What is solar for Rakyat incentive scheme (Solaris)?

Malaysia ’s Ministry of Energy Transition and Water has announced an incentive scheme for residential PV installations. The Solar for Rakyat Incentive Scheme (SolaRIS) will offer new net-metering users rebates of MYR 1,000/kW (AC) to MYR 4,000. Rebate allocation will be on a first-come, first-served basis.

What are the best solar incentives in Malaysia?

Additionally, Malaysia aims to elevate the renewable energy capacity within the national electricity supply to 70% by 2050. As the primary value proposition of installing solar is cost savings, this initiative stands out as one of the most attractive solar incentives in Malaysia, offering cash rebates of up to RM4,000 on your solar panel system!.

How many solar projects has Malaysia installed in 2023?

Malaysia had installed 1,933 MW of solar by the end of 2023, according to data from the International Renewable Energy Agency. Last month, the country's fifth large-scale solar tender was announced, including up to 2 GW available for rooftop, ground-mount, and floating solar projects.
