

600kW Foldable Container Used in Maputo Metro Station

Overview

What is DP World doing at Maputo container terminal?

DP World has officially commenced a \$165 million expansion project at the Maputo Container Terminal, a strategic move that will double the port's handling capacity and significantly enhance Mozambique's position in regional trade logistics.

Why is DP World Maputo expanding?

Capt. Sumeet Bhardwaj, CEO of DP World Maputo, described the expansion as a milestone: "We are building a terminal to meet future demands, enhancing efficiency, reducing costs, and fostering trade opportunities in the region."

What is the Maputo port development corridor?

Located at the heart of the Maputo Port Development Corridor, the terminal serves as a crucial gateway for neighbouring landlocked countries, including Zimbabwe, Botswana, and Eswatini.

How will the port of Maputo project impact Mozambican exporters?

MPDC CEO Osório Lucas highlighted the broader strategic impact: "This project is the first major step in strengthening the Port of Maputo's role as a leading logistics hub in Southern Africa. It will enhance competitiveness, modernise operations, and make freight rates more favourable for Mozambican exporters."
