

Automatic Folding Container Type for Barbados Bridges

Overview

What is a collapsible shipping container?

Shippers are demanding improved efficiencies and sustainability throughout their supply chains. COLLAPSECON is the collapsible shipping container pioneering the future of global trade. It's practical and rigid design saves on space, cost and handling, and helps to significantly reduce industry emissions.

Do Empty shipping containers clog roads and ports?

Empty shipping containers clog roads and ports. Staxxon's foldable containers -- which can be stacked in bundles -- are one solution to this.

How much does it cost to reposition an intermodal shipping container?

The intermodal shipping container is 70 years old. Over the years it has been refined but ownership costs have increased. For example, this year, the annual operating prices have ranged between \$25,000 to \$40,000 to reposition an empty container.
