

# **Automatic Folding Container Type for Highways**

## Overview

---

What is continec's new foldable cargo container?

Continec continues to revolutionize the industry with its foldable container solutions. The latest innovation in cargo transport: The CN Cargo 20' foldable cargo container premiered at the Intermodal Europe 2022 in Amsterdam.

What is a collapsible shipping container?

Shippers are demanding improved efficiencies and sustainability throughout their supply chains. COLLAPSECON is the collapsible shipping container pioneering the future of global trade. It's practical and rigid design saves on space, cost and handling, and helps to significantly reduce industry emissions.

What is a seafold 40 HC container?

SeaFold 40' has the same features as a conventional 40' HC container. Requires no special handling or maintenance equipment. Safe and easy folding and erecting procedure. Compatible with all standard lift equipment found in most ports and terminals. Serviceable by existing maintenance organizations and depots throughout the world.

How can continec help the cargo industry?

Along with the worldwide event, medical, defense, and humanitarian aid sectors already served by Continec's technology, the cargo industry can now also benefit from reduced transportation and storage costs while contributing to a global effort to reduce CO and GHG emissions.
