

# **Battery cabinet integration system in Canada**

## Overview

---

How many GWh of battery energy storage solutions has e-storage deployed?

To date, e-STORAGE has deployed more than 7 GWh of battery energy storage solutions across the United States, Canada, the United Kingdom, and China. Our team is the heart of our success, and we invite ambitious individuals to join us in shaping the future of energy storage solutions.

Where can I buy battery charging cabinets?

Get your battery charging cabinets from the leading fabricator in the Pacific Northwest and Western Canada. Depend on Wesgar to eliminate supply chain delays and deliver quality cabinets—from small to extra-large. Our cabinets are safe, weather and fire-resistant, and designed for indoor and outdoor use.

Why should you choose wesgar battery storage cabinets?

Rely on Wesgar to produce first-class battery enclosures and take care of your unique needs. Our quality custom lithium-ion battery storage cabinets are skillfully fabricated leveraging our 250+ team of professionals, leading-edge equipment and robotics, and 55+ years of dedication to best practices on our 4-acre plant in British Columbia.
