

Bergen Energy Industrial and Commercial Energy Storage in Norway

Overview

Who owns energiparken?

Naturgassparken Vest is the landowner in the Energiparken. Øygarden Municipality is a co-owner of the company. Northern Lights JV is the owner of Norway's national CCS facility for the reception and storage of CO₂. The facility is a key component of Norway's largest climate initiative to date, known as Project Longship.

When will CO₂ be delivered from Stockholm exergi?

The second phase is expected to be completed and ready to receive CO₂ delivery from Stockholm Exergi in the second half of 2028. The expected \$713 million investment for the second phase includes about \$141 million from the Connecting Europe Facility funding scheme approved by the European Commission in 2024.

Who is Molgas Norway?

Molgas Norway is a leading Norwegian gas company engaged in the production, distribution, and sale of liquefied natural gas (LNG) and pipeline natural gas. Molgas is also active in the production and delivery of biogas.
