

Bhutan Energy Storage Project

Overview

How will Bhutan achieve its energy goals?

Bhutan plans to achieve this target through diversification in its energy portfolio beyond traditional hydropower, which would include solar and geothermal energy. This will extend to diversifying project structuring and financing through such strategic partnerships.

Why does Bhutan need hydropower?

More importantly, Bhutan sees its hydropower as critical in ensuring round-the-clock availability of power with India's huge investments in renewables such as solar and wind and the plans to further accelerate investments in these renewables over the next two decades.

Why is Tata Power partnering with Bhutan?

Mr. Dasho Chhewang Rinzin, MD, DGPC said, "This strategic partnership with Tata Power is in keeping with Bhutan's aspirations to maximize benefits to the people of Bhutan through fast-tracking the harnessing of its huge renewable energy resources for its economic development and long-term energy security.

How much hydro capacity does DGPC have in Bhutan?

DGPC has a portfolio of 2453 MW of Hydro capacity in Bhutan, a large percentage of which is being exported to India, especially during the monsoon months. DGPC is envisioned to achieve 5,500 MW Hydro capacity within the next 5 years timeline including investments & development of Small Hydro and solar Projects.

Bhutan Energy Storage Project

Thimphu Power Storage: Bhutan's Answer to Renewable Energy ...

You know, Bhutan's capital isn't just about dzongs and chili peppers anymore. With hydropower providing 80% of its electricity, Thimphu's facing a modern dilemma: how to store surplus ...

Tata Power and Bhutan's Druk Green Power ...

2 days ago · Dr. Praveer Sinha, CEO & MD, Tata Power, said, "Tata Power's partnership with Druk Green Power Corporation reinforces our credentials ...

Tata Power and Druk Green to develop 5,000 MW clean energy in Bhutan

Mar 12, 2025 · The partnership will develop multiple renewable energy projects, including 4,500 MW of hydropower capacity and 500 MW of solar energy. Notable projects include the 1,125 ...

Reliance Power enters long-term PPA with ...

May 20, 2025 · The project represents a capital investment of up to Rs20bn (\$234bn) under a build-own-operate (BOO) model - the largest private ...

Energy storage systems bhutan

In a significant step toward energy self-sufficiency, Bhutan today commissioned the first phase of its largest solar power project, the Sephu Solar Project, in Wangdue Phodrang. The facility, ...

Tata Power and Bhutan's Druk Green Power Corporation ...

2 days ago · Dr. Praveer Sinha, CEO & MD, Tata Power, said, "Tata Power's partnership with Druk Green Power Corporation reinforces our credentials as the most preferred clean energy ...

Bhutan's Clean Energy Boom and Future Power Outlook

Oct 24, 2025 · Bhutan is entering a new era of clean energy with major commitments from Adani, Reliance, and Tata to develop large-scale hydro and solar projects across the kingdom. The ...

Reliance Power and DHI to Build Bhutan's Largest Solar ...

May 28, 2025 · This project is a core component of Reliance Power's broader renewable energy strategy, which includes over 2.5 gigawatts (GW) of solar power development and more than ...

ESIA sought for integrated Gongri-Jeri hydro and pumped storage project

Dec 11, 2024 · Druk Green Power Corporation (DGPC), Bhutan's state-controlled hydropower plant operator and developer, invites proposals by 6 January 2025 from qualified consultancy ...

Reliance Power enters long-term PPA with Green Digital in Bhutan

May 20, 2025 · The project represents a capital investment of up to Rs20bn (\$234bn) under a build-own-operate (BOO) model - the largest private sector foreign direct investment in ...

Tata Power and Druk Green to develop 5,000 ...

Mar 12, 2025 · The partnership will develop multiple renewable energy projects, including 4,500 MW of hydropower capacity and 500 MW of ...

Bhutan energy storage project

Jan 28, 2025 · Bhutan energy storage project A total of 311 applications were received for clean energy or decarbonisation projects after the call for submissions opened last summer. Of ...

Reliance Power to build 500 MW solar project in Bhutan

May 19, 2025 · "Reliance Power's total clean energy pipeline stands at 2.5 gigawatts peak (GWp) in the solar segment, making it India's largest player in the integrated solar and Battery Energy ...
