

Brazzaville Solar Off-Grid Systems Company

Overview

Is the off-grid task force accelerating the growth of Zambia's energy sector?

A new study shows that the Off-Grid Task Force in Zambia has accelerated the growth of the country's off-grid energy sector and transformed challenges into opportunities.

What is beyond the grid Fund for Zambia (BGFA)?

BGFA was set-up in 2019 on the initiative of the Swedish Government, building on the successful, award-winning initial pilot phase in Zambia, the Beyond the Grid Fund for Zambia (BGFZ). BGFA is an ambitious multi-donor funding facility that aims to kick-start markets for clean, off-grid energy in Sub-Saharan African countries.

What is the beyond the grid Fund for Africa?

The Beyond the Grid Fund for Africa was established on Sweden's initiative in 2019, through the Swedish International Development Cooperation Agency (Sida). Sweden is contributing SEK 835 million (EUR 80 million) to the BGFA programme, with contributions coming from the local embassies in target countries.

Are BGFA mini-grids delivering electricity in northern rural Liberia?

The first newly constructed mini-grids co-funded by BGFA are delivering electricity in northern rural Liberia. The mini-grids, developed and operated by Energit, have the potential to provide up to 8,000 Liberians with access to electricity.

Brazzaville Solar Off-Grid Systems Company
