

# **Buenos Aires solar Module Project**

## Overview

---

What are the largest solar PV power plants in Argentina?

Listed below are the five largest upcoming Solar PV power plants by capacity in Argentina, according to GlobalData's power plants database. GlobalData uses proprietary data and analytics to provide a complete picture of the global Solar PV power segment. Buy the latest solar PV plant profiles here. 1. Hive San Luis Solar PV Park.

Where is Cauchari solar PV park expansion located?

The 200MW Cauchari Solar PV Park Expansion is located in Jujuy, Argentina. It is owned by Shanghai Electric Power Construction; Power Construction Corporation of China; Jujuy Energia y Minería Sociedad del Estado. The Solar PV project is currently in permitting stage. The commercial operation of the project is expected in 2026.

Where is the largest photovoltaic plant in South America?

All thanks to the inauguration of the largest photovoltaic plant in South America. Located in the Puna of Jujuy, the Cauchari plant has been equipped with more than 900 thousand solar panels that will occupy 600 hectares in the town of Susques, about 4200 meters above sea level.

What is PS Ullum X solar PV Park?

The 100MW Solar PV project, PS Ullum X Solar PV Park is expected to get commissioned by 2026. It is being developed by Latin America Of Energy. The project is currently in permitting stage. Latin America Of Energy is the owner of the project.

## Buenos Aires solar Module Project

---

A boost for rural schools in Buenos Aires Province with solar ...

Nov 17, 2025 · In this context, Buenos Aires Province in Argentina has taken the lead with an innovative project that promises to make a significant impact. The Ministry of the Environment ...
