Overview

What is the best portable power station?

I've put over 120 portable power stations to the test to discover the absolute best. My top pick for an affordable option is the EcoFlow River 2 -- right now priced at the crazy low price of \$199, it delivers an impressive 600W of power.

How much does a portable power station cost?

Outputs Portable power stations can get expensive, but this model from Bluetti is a fantastic budget-friendly option, currently retailing for \$330. Despite its lower price, it's a powerful unit capable of delivering 1,000W output for regular loads and up to 2,000W for resistive loads like heaters or hair dryers.

Is Jackery a good portable power station?

Jackery has been a trusted name in the portable power station industry for over a decade, and after testing many of the company's products, I can confidently recommend them. The Jackery Explorer 500 is an excellent choice for road trips where you need reliable AC power.
