

# Croatia Off-Grid Solar Container Exchange

## Overview

---

When is solar flex Croatia 2025?

In March, Zagreb will become the hub of the most important regional discussions about the future of energy, with the conferences Solar Flex Croatia 2025 and RE-Source Croatia 2025. As part of the European campaign Let's Flex launched by SolarPower Europe, the Solar Flex Croatia 2025 conference will be held in Zagreb on March 12, 2025.

Why is Solarpower Europe partnering with Res Croatia?

SolarPower Europe's partnership with RES Croatia underscores our dedication to supporting Croatia and its neighbours overcome barriers to renewable energy growth, including high grid connection costs and the need for an updated grid infrastructure to support solar projects.

What is solar flex in Zagreb?

Launching in March 2025, the Solar Flex event in Zagreb will be the partnership's flagship initiative, a platform that will focus on sharing best practices from across Europe to find solutions to enhance the grid flexibility, remove barriers and accelerate solar deployment in Croatia and the wider region. "Croatia has vast untapped solar potential.

Could solar energy be a key to Croatia's energy future?

"Croatia has vast untapped solar potential. By modernising grid infrastructure, supporting energy storage solutions and remove barriers such as the high grid connection costs, we can bring solar energy to the forefront of Croatia's energy future."
