Why should you buy a double throw breaker at Shopee Mall?

Shopee Mall has your favorite brands on sale right at your fingertips. Plus, online shopping is now made safer and more convenient with Shopee Guarantee. This ensures that the seller only gets your payment once you have confirmed receipt of the package you ordered. Now there's nothing to think twice about when buying double throw breaker!.

What is a single throw breaker?

A single throw breaker is the same as a single wire breaker. Now, the amount of wire required to handle a single-rowrowakeraker will depend on the actual load. As mentioned above, licensed electricians recommend using a single-conductor breaker. A single-thread breaker is a type of breaker that can handle up to 240 Volt circuits.

What is a double pole breaker?

A double poleakeraker can handle two types of loads, as per the load. In general, a two pole or two pole breakers is the same as a single poleaker. Now, the two pole types are available, and they can be used as per single pole load, as well as a high load capacity. In general, 240 Volt circuits are usually connected to a ground breaker.
