

Fiji home energy storage power supplier

Overview

Who is solar Fiji?

Solar Fiji is a leading solar company in Fiji, dedicated to providing cutting-edge solar and battery power solutions across the South Pacific. Our expertise lies in designing, supplying, and installing reliable energy systems that deliver lasting value for homes, businesses, and communities.

Why do businesses use solar energy in Fiji?

With on-site solar energy generation in Fiji, businesses can generate their own electricity and become less vulnerable to power outages, grid disruptions, and energy supply constraints. Many organisations in Fiji switch to solar energy as part of their commitment to sustainability and reducing their carbon footprint.

What are the different types of energy solutions in Fiji?

Delivering secure, cost-effective hybrid and utility grade power solutions, for today and the future. Our specialities in Fiji include Solar Energy, Renewable Energy, Hybrid Energy, Distributed Generation, Energy Storage, Off-Grid Energy, Remote Communities, HV, Substations, Grid Connections, Battery Energy Storage Systems (BESS), and Microgrid.

Who is Energy Fiji Limited?

Energy Fiji Limited is a company established in 1966 under the Electricity Act of 1966. It began operating from 1 August of that year and was previously known as the Fiji Electricity Authority.
