

# Fire station folding container single-phase discount

## Overview

---

What is a fold container house?

The fold container house is a modular building constructed from prefabricated modular containers specially designed to fold and unfold. This unique feature allows for easy transportation and rapid assembly, making them ideal for a wide range of temporary or moveable housing needs. Generally speaking, 3 workers can install at least 100 sets in 5 days.

What is a foldable container office?

The foldable container office is a type of prefabricated building that can be easily transported and assembled on site. It uses shipping containers as the main structure, which can be folded and unfolded in minutes. It also comes with furniture and fittings, such as desks, chairs, cabinets, and lights.

What is a mobile folding container office?

The affordable mobile folding container office is a versatile, cost-effective solution for construction sites. It offers easy transport, quick setup, and durable materials, providing a comfortable workspace for site management and staff, enhancing productivity and efficiency.
