

High quality replacing a breaker for sale company

Overview

Where can I get a replacement breaker?

To get a replacement Bryant Type BRD BR 15-15 CU-AL SWD circuit breaker, find an Electrical Supplier in your area. If you are in a remote location and the nearest supplier is more than an hour away, consider getting a replacement through a local Electrician. Note that Bryant is now replaced with Cutler Hammer products, so a Cutler Hammer/Eaton reseller would be more than happy to help you.

Who makes low voltage circuit breakers in China?

One of the most renowned national producers and exporters of low voltage circuit breakers in China, Shanghai Dada Electric Co., Ltd, was established in 1986. This organization has taken the lead when it comes to using the ISO9001 Quality Management System.

How much does it cost to replace a breaker?

Find a replacement breaker with the same voltage. Look in the electrical section at your local hardware store for breakers that are the same size as the ones you're replacing. Single and double pole breakers typically range from around \$5 to \$10 USD. Turn off the individual breaker you need to replace.

Does Wenzhou manufacture circuit breakers?

Wenzhou can import and export on its own, increasing its market in Southeast Asia, the Middle East, Europe, and other regions. Some of their products include miniature circuit breakers, residual current circuit breakers, molded case circuit breakers, and others. Circuit Breaker is available from this company.
