

High voltage breaker for sale in Sydney

Overview

What types of circuit breakers do iSupply electrical supply?

At iSupply Electrical, we supply a comprehensive range of DC circuit breakers designed for various voltage ratings and current capacities, from low-voltage automotive applications to high-voltage solar PV systems.

What types of circuit breakers are available?

Our inventory includes miniature circuit breakers (MCBs), moulded case circuit breakers (MCCBs), and specialized DC-rated breakers suitable for off-grid power systems, battery banks, electric vehicle charging infrastructure, and renewable energy installations.

What is a MCB circuit breaker?

Circuit Breaker 20A 2 x 4 Pole MCB DC1000V (Non polarised) 8 pole Waterproof. DC circuit breakers provide essential circuit protection for direct current electrical systems in solar installations, marine applications, automotive systems, and industrial equipment.

What voltage ratings are available for DC circuit breakers?

DC circuit breakers are available in various voltage ratings including 12V, 24V, 48V for automotive and low-voltage systems, 125V and 250V for industrial applications, and higher voltages up to 1000V or 1500V for solar PV systems and energy storage installations.

High voltage breaker for sale in Sydney

High-Voltage Switchgear and breaker products , Hitachi Energy

1 day ago · Hitachi Energy offers a comprehensive range of high-voltage switchgear and breaker solutions up to 1200 kilovolts AC and 1100 kilovolts DC.

NGK Stanger , NGK Stanger

NGK-S understands that delivering products on time is extremely important. With local manufacturing facility, we can prioritize orders, and also minimize shipping timeframe by ...

Circuit Breaker in Sydney for Sale

Oct 2, 2025 · Compare Circuit Breaker quotes in Sydney from leading suppliers in Australia. Get 3 quotes to review price & specifications of products for sale. Trusted by 1.2 million industrial ...

DC Circuit Breakers , Wholesale Price , ISupply Electrical

At iSupply Electrical, we supply a comprehensive range of DC circuit breakers designed for various voltage ratings and current capacities, from low-voltage automotive applications to ...

Top 7 High Voltage Switchgear In Sydney, Australia 2025

Oct 3, 2025 · Hitachi Energy delivers high-voltage switchgear, HVDC, transformers and digital grid technologies and has a strong footprint in Australia supplying transmission projects and utility ...

Circuit Breakers , Electrical Supply Distributor in Sydney

Looking for high-quality electrical supplies in Sydney? We have you covered. Check out our Circuit Breakers page. Place an order now!

High quality voltage breaker in sydney

Home » High quality voltage breaker in sydney We're suppliers of all kind of High quality voltage breaker in sydney moved in market for great sales, we've High quality voltage breaker in ...

Circuit Breakers and Electric Breakers

Schneider Electric Australia. Discover our range of products in Circuit Breakers and Electric Breakers : MasterPact MTZ, MasterPact NT, Enerpact NH, MasterPact NW.

High Voltage Circuit Breakers

12428 high voltage circuit breaker products are offered for sale by suppliers on Alibaba , of which vacuum circuit breakers accounts for 38%, circuit breakers accounts for 12%, and other ...

NGK Stanger , NGK Stanger

NGK-S understands that delivering products on time is extremely important. With local

manufacturing facility, we can prioritize orders, and also ...

High-Voltage Switchgear and breaker ...

1 day ago · Hitachi Energy offers a comprehensive range of high-voltage switchgear and breaker solutions up to 1200 kilovolts AC and 1100 ...

High Voltage Switchgear for Substations, ...

5 days ago · Discover Insulect's extensive range of locally manufactured and sourced switchgear products and services for substations, overhead ...

High Voltage Switchgear for Substations, Distribution and Cables

5 days ago · Discover Insulect's extensive range of locally manufactured and sourced switchgear products and services for substations, overhead distribution, and underground cables.
