Overview

What is a photovoltaic curtain wall?

Building Integrated Photovoltaics At Onyx Solar we provide tailor-made photovoltaic glass in terms of size, shape, transparency, and color for any curtain wall design. Photovoltaic curtain walls transform any building into a self-sufficient energy infrastructure and enhance the building's architectural design.

What is Huawei's flagship store?

"Among the many interfaces found in retail nowadays, the flagship store we have created for Huawei in Shanghai is one that blends interactive experiences, technology and community creation," said Ben van Berkel, Founder and Principal Architect, UNStudio.

What can you do at Huawei?

Here visitors can take part in Huawei's public lectures, cultural activities and fitness and health classes. A small café is located across from the lecture and event space, where customers can relax while awaiting after-sale services. In addition, an "In Real Life" area serves to provide space for work and leisure activities.
