

# **Industrial switchgear factory in Sydney**

## Overview

---

Who is connected switchgear?

Connected Switchgear is a proud Australian owned and operated electrical supplier with an established reputation throughout Australia and the Asia Pacific region for manufacturing the finest domestic, commercial and industrial light switches, power points, circuit breakers, RCDs, 3 phase and industrial switchgear products.

Where are our switchgears made?

Our growing capability encompasses an extensive range of switchgear for substations, overhead distribution and underground cables. Our core range is locally manufactured at one of our three Australian facilities. This range is augmented by our single-source partner Siyuan Electric in China to provide additional voltages and technical solutions.

Does connected switch gear ship to Australia?

Our entire electrical range is now available for immediate delivery to any Australian postcode on our fully secure online store. Expedited delivery to all states in Australia Orders prior to 12pm will be dispatched the same day You can get trusted 5 Year in House Warranty with Connected Switch Gear Find a Connected Switchgear Stockist.

Why should you buy connected switchgear?

**WHY BUY CONNECTED SWITCHGEAR?**

Connected Switchgear is a 100% Australian owned and operated electrical manufacturer and supplier. This means that we have an intimate knowledge of the electrical industry in Australia. We also have a clear understanding of what the discerning electrical contractor requires from trusted quality electrical products.
