

Lusaka Outdoor Power Purchase

Overview

When will Zambia start producing electricity?

The first projects will break ground within months, with some expected to start producing power before the end of 2025. Eng. Loongo encouraged further investment in solar, wind, and hydroelectric projects to meet Zambia's growing electricity needs. "Today's signing is a symbol of Zambia's ambition in electricity diversity.

How many power purchase agreements ZESCO Limited has signed?

ZESCO Limited has signed 29 Power Purchase Agreements (PPAs) with Independent Power Producers (IPPs) under the Presidential Solar Initiative, Micro-Generator Scheme, and Developer-Initiated IPPs.

Why did Zambia sign an IPP?

Eng. Loongo encouraged further investment in solar, wind, and hydroelectric projects to meet Zambia's growing electricity needs. "Today's signing is a symbol of Zambia's ambition in electricity diversity. We look forward to supporting more IPPs and ensuring universal access to electricity for all Zambians," he concluded.
