

# **Moscow Energy Storage Cabinet Power Cooperation Project**

## Overview

---

Will China and Russia expand investment and energy cooperation?

[Photo/Xinhua] MOSCOW, July 24 -- China and Russia have agreed to further expand investment and energy cooperation to promote bilateral ties.

Is MKC implementing a joint production & service agreement in the UAE?

Currently, MKC Group of Companies has concluded a list of agreements and is implementing them within the framework of a joint production and service enterprise in the UAE, an exclusive distribution agreement for the design, trade and post-service maintenance of energy storage devices based on CATL battery solutions.

How can we improve energy cooperation?

He also called for deepening integrated cooperation among upstream, midstream and downstream of the energy sector, enhancing cooperation in fields such as energy technology innovation, and strengthening strategic coordination on global energy governance, so as to jointly promote their high-quality energy cooperation.

Is China-Russia cooperation a good idea?

Under the strategic guidance of the two heads of state, China-Russia investment and energy cooperation has maintained a sound momentum of development, bringing tangible benefits to the two countries and the two peoples, Ding said.
