

# Myanmar mobile power storage vehicle customization

## Overview

---

Does Myanmar have an electric vehicle industry?

Once in its infancy, Myanmar's electric vehicle (EV) industry is steadily developing. The National Level Electric Vehicle and Related Industry Development Steering Committee released an updated list featuring 87 licensed companies as of May 2025.

Is Myanmar a hotspot for electric mobility?

This development provides a clear indication of interest for foreign investors: Myanmar's EV market is no longer nascent. With clear regulatory frameworks, increasing private sector participation, and government support, Myanmar is fast becoming a regional hotspot for electric mobility and supporting industries. Newly Joined Companies in 2025.

Is Myanmar's EV market nascent?

The latest additions emphasize critical pillars of Myanmar's green mobility agenda, including charging station development and e-bus services. This development provides a clear indication of interest for foreign investors: Myanmar's EV market is no longer nascent.

Are illegal imports subject to legal action under Myanmar's Consumer Protection Law?

Additionally, it is important to note that illegal imports remain subject to legal action under Myanmar's Consumer Protection Law. The information provided here is for information purposes only and is not intended to constitute legal advice. Legal advice should be obtained from qualified legal counsel for all specific situations.

## Myanmar mobile power storage vehicle customization

---

Changan Green Electric will launch mobile energy storage vehicles ...

Jan 4, 2024 · Changan Green Electric focuses on the key project - mobile energy storage vehicle, which stands out among many energy storage solutions. This innovative product combines ...
