

# Nauru container villa wholesale

## Overview

---

Where are container homes made?

These homes are made from shipping containers. Many Chinese companies are now making them. You can find them all over China, especially near the coast, where it's easy to get the materials. China is a global stronghold regarding container home manufacturers. However, not all of them are reliable.

Where to buy custom container homes in China?

Hence, you can get different custom container homes in China. Konbuild is one of the best options for those with tight pockets. K-HOME is a notable container home manufacturer that started operations in 2007. The company is suited for large orders with a production space of 100,000 square meters.

Who is the largest container house manufacturer in China?

Guangdong C. BOX Co., Ltd is our list's largest container house manufacturer. The company boasts 17 years of experience, 350,000 m<sup>2</sup>, and 200,000 annual output. They specialise in manufacturing and renting quality container homes in China. With their many years of experience, they have thrived.

Are container home manufacturers in China reliable?

China is a global stronghold regarding container home manufacturers. However, not all of them are reliable. There are only a few top container home manufacturers that promise top-quality delivery. There are many container home manufacturers in China, but not all of them can deliver the same level of quality and service.
