

# **Naypyidaw solar panel direct supply manufacturer**

## Overview

---

Where are solar panels made in China?

Jiangsu Province is renowned as one of China's largest solar panel manufacturing hubs. Located on the east coast, it has the advantage of being near ports, which facilitates the ease of exporting solar panels. The province hosts a multitude of solar panel manufacturers in China, including Trina Solar, one of the world's largest.

Who is LONGi Solar?

LONGi Solar, established in 2000 and headquartered in Xi'an, China, is one of the world's largest and most influential solar manufacturers. The company is a leader in the production of high-performance solar modules and is particularly known for its advancements in monocrystalline technology.

Where is Jinko Solar made?

Since its establishment in 2006, the company has become one of the largest producers of solar modules worldwide, with a significant international presence. JinkoSolar is headquartered in Shangrao, Jiangxi, China, and operates numerous manufacturing facilities across the globe.
