

Nordic solar panel greenhouse custom manufacturer

Overview

Who is Nordic solar?

At Nordic Solar, we specialise in the development, construction and operation of utility-scale solar parks and BESS across Europe through collective investment in advancing the energy transition towards a brighter future. Our core expertise lies in the development, construction, and operation of utility-scale solar parks and BESS.

Where is Nordic solar launching its first battery energy storage system?

Yesterday, Nordic Solar officially inaugurated its first battery energy storage system (BESS) park in Denmark. The facility, located in Borup in the Municipality of Hillerød, marks a great milestone in the company's strategy to integrate battery storage into its portfolio of solar energy projects across Europe.

Why should I join Nordic solar?

Joining Nordic Solar means building a career with exciting opportunities. You will find a space to grow, learn and engage in a collaborative environment. Battery Energy Storage Systems (BESS) are the perfect complement to solar energy, which is one of the most predictable and cost-efficient renewable energy sources available.
