

# Nuuko energy storage products

## Overview

---

What is nuuko's business model?

NUUKO has created a "closed-loop" development model of solar module R&D and production, and distribution cooperation. Its business also covers power station development and investment, solar system integration and sales, etc. Products have been approved by international certification like TUV, CE, CEC, CB, DEKRA, INMETRO, RETIE etc.

What are nuuko products used for?

NUUKO products are widely used in ground power stations, industrial and commercial rooftop photovoltaic systems and residential rooftop photovoltaic systems.

Who is nuuko power?

NUUKO power was established in 2021, and the company team has nearly 10 years of experience in the photovoltaic industry, as a factory, our capacity is 1GW per year now.

## Nuuko energy storage products

---

Solar Panel Manufacturer, Solar System, ...

NUUKO has created a "closed-loop" development model of solar module R& D and production, and distribution cooperation. Its business also ...
