

Ottawa solar container outdoor power manufacturer

Overview

Who is solar panels Ottawa?

We're Strive to be the #1 solar panel installation Company in Ottawa ! We are proud to be a company that is leading the way to helping Ottawa go green. We take pride in our work and we believe that you can be a part of the future by going solar. Solar Panels Ottawa is leading the change. Here is more info about solar panel installation Ottawa.

Why should you choose a solar company in Ottawa?

Most solar companies are about the sales. We're about lasting systems — and bringing the future of Ottawa solar power to your home and business. From Cumberland to Carleton Place, we're not a call center with a crew. Our local roots run as deep as our experience — and we couldn't be prouder to have installed our neighbours' solar panels since 2009.

What is a solarcontainer?

The Solarcontainer is a photovoltaic power plant that was specially developed as a mobile power generator with collapsible PV modules as a mobile solar system, a grid-independent solution represents. Solar panels lay flat on the ground. This position ensures maximum energy harvest Panels lays flat on the ground.
