

# **Qatar new energy solar energy storage company**

## Overview

---

What is Qatar's largest solar power project?

Samsung C&T E&C Group has been awarded the contract for Qatar's largest solar power project, underscoring its growing leadership in renewable energy infrastructure. Commissioned by QatarEnergy, the 2,000MW Dukhan Solar Power Project represents the largest capacity solar facility ever undertaken by a Korean construction company.

Who makes solar energy in Qatar?

The state-owned group, Qatar Solar Energy, is a leading manufacturer of solar power components and last year opened the largest integrated production facility for solar energy systems in the Middle East and North Africa region. Even more recently, Qatar's Solar Technologies, took a 49% stake in German-based SolarWorld.

What is Samsung C&T doing with Qatar's largest solar project?

Samsung C&T secures Qatar's largest solar project, a 2,000MW facility in Dukhan covering 27□ with 2.74 million panels, strengthening its leadership in global renewable energy EPC.

Does Samsung C&T E&C have a partnership with qatarenergy?

Leaders from Samsung C&T E&C and QatarEnergy gather to mark the signing of Qatar's largest solar power project "Through our long-standing partnerships and strong track record in Qatar, we have strengthened our leadership in renewable energy EPC," said Seongjoon Kim, Executive Vice President of Samsung C&T's ES Business Division.
