Are outdoor power tools a good purchase?

Learn More > Outdoor power tools aren't a small purchase, so you want to have confidence that you picked the right product the first time. To help you make the right decision for your property, we test everything from chipper shredders to string trimmers, basically just about any type of lawn and garden equipment for any size and type of yard.

How does Consumer Reports test outdoor power equipment?

Consumer Reports' process goes something like this: Every year, our market analysts identify hundreds of new pieces of outdoor power equipment. We deploy a team of secret shoppers to buy each model we test to ensure that we're getting the same products you'd find at retail. Even after we test the tools, we're still not done.
