When is solar & storage Live London 2026?

The April edition, Solar & Storage Live London, launched in 2024 and was an overwhelming success. Returning for its third year in 2026, the show is set to grow even bigger, featuring over 200 global exhibitors and 200 speakers. More than 10,000 industry professionals are expected to attend over the two days.

What is solar & storage live?

Solar & Storage Live offers you a unique opportunity to connect with a large and exceptionally senior audience. It provides meeting spaces, networking opportunities as well as sponsorship/exhibition opportunities to meet your companies specific marketing and business development needs. "The place to be for anyone in the renewable industry."

Can London get more solar?

The Mayor's Solar Action Plan sets out how City Hall programmes are expected to more than double London's current solar energy capacity. But the Mayor thinks London can, and should, go further than this and wants to provide support to local government, businesses and others to install more solar in London.
