What is Sparkle lighting?

Sparkle Lighting. is here to inspire you to transform any space—home, garden, event, or venue—into something unforgettable with decorative lighting. Sparkle Lighting is an online boutique founded by Thalia offering a curated collection of decorative lights for interior enthusiasts and home lovers.

How to choose decorative indoor solar lights?

With the emergence of LEDs and their various shades, color temperature becomes an essential factor to look into when buying decorative indoor solar lights. Color temperature is gauged in Kelvins, and it stands for the color quality of a light- with sky blue on the higher end, and orange on the lower end.

Where can I buy solar indoor lights?

You can find the top-rated solar indoor lights in local stores like Home Depot that sell clean energy products such as solar lights designed for outdoor spaces. However, it is more convenient to shop online in marketplaces like Amazon or Walmart. You can shop at once by just a single click of your finger.
