

St George 30W Solar Street Light

Overview

What is a 30W solar LED street light?

Product Details: 30W Solar LED Street Light (GE-SSL-30) Grace Electronics GE-SSL-30 solar street lighting system provides illumination where electricity is not easily available.

What is Grace Electronics GE-ssl-30 solar street lighting system?

Grace Electronics GE-SSL-30 solar street lighting system provides illumination where electricity is not easily available. Our model is an energy efficient, eco-friendly & give higher Lumens output. Our model is optimized electrically & thermally designed light source to deliver maximum output & reduced maintenance cost.

Does Grace electronics offer solar street light?

We are offering Solar Street Light to our customers. Product Details: 15W Solar LED Street Light (GE-SSL-15) Grace Electronics GE-SSL-15 solar street lighting system provides illumination where electricity is not easily available.

What is Grace Electronics GE-aio-30we solar street lighting system?

Grace Electronics GE-AIO-30WE solar street lighting system provides illumination where electricity is not easily available. Our model is an energy efficient, eco-friendly & give higher Lumens output. Our model is optimized electrically & thermally designed light source to deliver maximum output & reduced maintenance cost.
