

Tanzania 10v solar panel manufacturer

Overview

Who is a solar company in Tanzania?

We design, procure, install, maintain & operate tailor-made solar solutions for both residential & commercial clients across Tanzania. We are also a Renewable Energy Components Distribution Company, providing genuine products from reputable manufacturers across the globe.

Where can I buy solar power in Tanzania?

Various companies are active in the solar power business in Tanzania, serving all different market segments. In fact, these companies selling solar products range from importers to wholesalers, retailers and local solar shops. Most are centred around larger cities, particularly Dar es Salaam, Mwanza and Arusha.

Who is Apollo solar?

Apollo Solar was established in 2010 with its main reason being providing Tanzanians with a renewable source of power. Since then, our client base has grown to include large corporations, rural farmers, and everything in between. If you would like to find out more about how Apollo Solar can serve your needs, get in touch today.
