

US supplier of 10kW collapsible containers

Overview

What is a collapsible bulk container?

DACO offers a variety of sizes and types of Collapsible Bulk Containers, solid or vented, for use in both food and material handling applications. These bulk containers feature walls that collapse down when empty to save valuable space during storage or return shipping. Cost Saving.

Can collapsible bulk containers be stacked upright or collapsed?

All of our collapsible bulk containers can be stacked upright or collapsed — saving you valuable warehouse space, whether the bins are in use or in storage. Our collapsible bulk containers are available in various sizes and offer capacity ranges for medium-duty, heavy-duty, or extra-heavy-duty applications.

What are duragreen® collapsible bulk containers?

DuraGreen® collapsible bulk containers are space-saving containers engineered for durability and longevity. These containers are made of high-density polyethylene (HDPE), a durable material that will protect your products throughout the duration of the container's life.

What are intermediate bulk containers (IBCs)?

Intermediate Bulk Containers (IBCs) provide a safe, efficient solution for handling both liquid and dry goods. Made in the USA and constructed from FDA-compliant materials, these containers are collapsible and stackable, maximizing space utilization throughout the supply chain.
