

Vertical column outdoor power box

Overview

Are polycase pole-mounted enclosures waterproof?

Pole-mounted enclosure solutions from Polycase are waterproof, weatherproof, and corrosion-resistant. Designed to protect your components in harsh outdoor environments, our outdoor electrical junction box models meet and exceed various NEMA and IP ratings.

What is a pole mounted enclosure?

Pole Mounted Enclosures from Polycase Polycase offers several series of outdoor enclosure models designed for pole mount applications. These outdoor electrical enclosures are made from sturdy materials like stainless steel and aluminum, as well as non-metallic options like polycarbonate plastic.

Can You mount electrical equipment on a power pole?

Mounting equipment on power poles is a frequent practice in many applications involving outdoor electrical wiring. Power distribution boxes are one obvious example, but many more exist, including traffic signals, outdoor WiFi equipment, circuit breakers, and outdoor lighting systems.
