

Victoria Large Solar Mobile Lighting

Overview

Blue Diamond's range of lighting towers are an effective & reliable solution for civil works, trade, rental or industry application where visibility is essential. Blue Diamond stocks a large range of lighting towers.

Where can I buy a mobile light tower in Australia?

PR Power offers a comprehensive range of mobile lighting towers for sale in Australia, featuring cutting-edge LED technology and sustainable power options. Our range includes solar-powered light towers, hybrid lighting towers, and diesel light towers, suitable for applications across mining, construction, civil works and outdoor events.

What types of light towers are available in Australia?

Our range includes solar-powered light towers, hybrid lighting towers, and diesel light towers, suitable for applications across mining, construction, civil works and outdoor events. As the exclusive Australian distributor for TRIME — Europe's leading lighting tower manufacturer.

Why should you hire a solar mobile light tower?

RPM Hire offer solar mobile light tower hire for both long and short term projects, so you can turn night into day, to effectively and safely complete works on construction and mining sites during the night. The Solar LED Lighting Towers can be used to provide portable lighting at events such as concerts, celebrations and sporting events.

Who can use a mobile solar light tower?

Suitable for contractors within the construction industry, rail projects, outdoor events, suburban areas, infrastructure works who are seeking carbon-neutral site lighting. The Mobile Solar Light Tower is easy to set up and can operate all year round with no running costs.
