

Where can I buy battery cabinets in Australia

Overview

What is a battery cabinet?

A battery cabinet is a particular type of storage cabinet that reduces the risks associated with lithium-ion batteries. These innovative cabinets create a safer environment in which workplaces can charge and store their li-ion cells.

How many batteries can a storemasta Battery Cabinet charge?

Storemasta battery cabinets are electrically certified with IP56 fittings, so can safely charge up to 18 batteries simultaneously. With fully adjustable shelving and charging outlets, your cabinet can be quickly reconfigured to fit any size lithium-ion batteries and their chargers. Custom solutions are also available.
