

# Wholesale bess battery system in Poland

## Overview

---

Is Poland moving towards battery energy storage systems (Bess)?

As expected, Poland's latest capacity market auctions have highlighted a significant shift towards the battery energy storage systems (BESS) beside the fact that the de-rating factor has been significantly decreased.

What is a battery energy storage system (BESS)?

As the world accelerates toward a more sustainable future, battery energy storage systems (BESS) play a crucial role in enabling the integration of renewable energy, enhancing grid stability, and unlocking new revenue streams.

Are battery energy storage systems legal in Poland?

Despite increasing regulatory activity, Poland still lacks a dedicated legal framework for Battery energy storage systems. Key risks include: Investors should conduct due diligence early and maintain close coordination with public authorities. Need legal support for a BESS project in Poland?

.

Will LG make 900 MWh Bess batteries in Poland?

LG Energy Solution will manufacture the batteries for a 900MWh BESS project in Poland using its local gigafactory, it confirmed.
