

Wholesale switchgear controls in Estonia

Overview

What is ES-series switchgear?

ES-series complete high-end switchgear. The design of the switchgear has been developed by Eltech Solutions OÜ to fulfill various technical solutions, which many standard solutions do not allow.

What are the advantages of a switchgear?

The design of the switchgear has been developed by Eltech Solutions OÜ to fulfill various technical solutions, which many standard solutions do not allow. The main advantages of the construction are the rigidity of the main structure of the frame and the flexibility based on modularity (perforation in 25 mm increments).
